

EXHIBITOR TRADE SHOW INFORMATION

LETTER OF INVITATION

The South Carolina Ground Water Association's 15th Annual Spring Meeting & Trade Show will be held Friday, March 12, 2010 at the Columbia Conference Center in Columbia, South Carolina. As in the past, this event includes educational and networking opportunities as well as our annual auction. We are mailing brochures to well over 1000 licensed drillers and look forward to another successful year of connecting drillers with the latest services and tools of the trade.

Can we count on your full support as we continue our efforts on behalf of the well drilling industry of South Carolina? As South Carolinians face more and more mandatory connection requirements and drillers face more and more regulation, the water well industry looks to SCGWA to protect and preserve its fate. We need your support now more than ever if we are to remain a strong advocate for South Carolina's ground water industry. We encourage you to show your support in the following ways:

- Reserve a booth space for the South Carolina Ground Water Association's 2010 Trade Show;
- Provide a workshop speaker for a future program;
- Donate items to the Scholarship and Defense Fund auction;
- Become a Conference & Trade Show sponsor; and
- If you are not already a member, join SCGWA. Not only will you save money on your conference fees, you will be contributing to the future of the well water industry and the success of your own company.

The enclosed materials provide all the details needed to make your commitment to SCGWA and the water well industry of South Carolina. If you are unable to attend the Trade Show, we encourage you to consider being a Beverage Sponsor or donating items for the Defense Fund Auction, and we will be happy to distribute printed materials in your absence. Please contact the SCGWA office to make these arrangements.
